REFLECTING ON 2018

Another fabulous year is in the books. Thanks to your generosity and support our 34th year of serving children with life-threatening illnesses and their families was a tremendous success! As we look forward to celebrating our 35th Anniversary in 2019, we would like to take a moment and share with you some of the exciting and amazing highlights of the past year.

Camp Sunshine offered 23 programs and served 731 families (2,870 family members) from 43 states and 9 countries. We extended our outreach, visiting hospitals and clinics in a variety of locations, hosted a pilot program with Boston Children’s Hospital for their Solid Organ Transplant families, partnered with Tropical Smoothie Café to host informational family socials with area communities and teamed up with Wipe Out Kids Cancer to introduce Camp to more families. We increased our transportation assistance program for families unable to get to Camp on their own, thanks to the continued support of Hands on Tzedakah, Leukemia & Lymphoma Society, SEALs for Sunshine, Julie & Ron Eby & Windham Automotive, John & Ann Ewalt, and Tropical Smoothie Café.

The Camp Sunshine program continued to strive toward and maintain its high standard of programming, operations & service and again achieved accreditation through the American Camping Association (ACA), maintained Gold Ribbon Camp status with the Children’s Oncology Camping Association-International (COCA-I), received top rating from GreatNonprofits, was recognized by Cumberland County, Maine with the Spirit of America Award honoring commendable

community service and most importantly was awarded Charity Navigator’s coveted top four-star rating for exhibiting fiscal management and transparency.

Each day, into each year we are more astonished by the people and organizations that generously share their time and talent to help insure Camp Sunshine’s success. We had people run races, jump in the chilly waters, host concerts, produce stage shows, organize golf tournaments, participate in craft fairs and more. Camp hosted our 16th Pumpkin Festival and 2nd annual Watermelon Festival on the campus of L.L. Bean, Twenty-five brave Navy SEALs paddled 26.2 miles (a marathon) atop paddleboards in the open ocean off the coast of Coronado Island, CA. to raise funds and awareness for Camp Sunshine out West. While here at home six SEALs for Sunshine participants took on the Stone Coast Challenge. Other outstanding events included the Braveheart Bike Ride, Christopher A. Foley Memorial & S/A Maraia golf events and the L/A Harley Charity Ride.

Volunteers and Camp supporters continued to make a difference not only creating extraordinary moments during Camp sessions; but by stepping up to be counted. Literally to be counted through their votes. What a spectacular display of unity when called upon to help. With the presence and assistance of the Camp Sunshine community on social media and through online campaigns, we were selected as recipients of the Town & Country Better Neighbor Award and the Red Sox Foundation Impact Award...Thank you! Talking about impact, volunteers did more, hosting Camp benefits,

like Sienna's Gold Gala, Polar Dips, Chris Sweeney's Bruins Alumni Hockey Game, and Board Member Kevin Silverang's 3rd Annual Rock n' Soul Party...boy did he rock it! They all rocked it!

Along with our incredible volunteers, we are most appreciative of our caring corporate partners that continue to support Camp and the relationships that we have built nationally, regionally and locally. You will find these amazing sponsors proudly listed within this Annual Report.

We are humbled and honored to maintain and further develop our partnerships with a variety of illness-related groups. These very special and committed groups include: Bryan's Dream Foundation, Diamond Blackfan Anemia Foundation, Team Telomere, Fanconi Anemia Research Fund, A Kids' Brain Tumor Cure Foundation, Lauren's First and Goal, Leukemia & Lymphoma Society, Love is Magic, and Shwachman-Diamond Syndrome Foundation.

On the heels of receiving a record breaking single corporate donation of \$1,011,330 from Tropical Smoothie Café, we opened the doors to our New Tropical Smoothie Café Sports Center. This dream project was made possible by TSC and contributions from the Harvard/Bolton Endowment Group, Texas Roadhouse, Bartow Construction, Hands on Tzedakah, Colburn Keenan Foundation and the Maine Red Claws Foundation. This beautiful indoor structure enables us to not only provide alternative activities during inclement weather and cold winter days; but also assists in enhancing Camp's overall programming. What an amazing year of great

experiences, connections and families sharing cherished moments! We could not do it without your kindness and generosity. This year promises to be equally as special, as we look forward to celebrating our 35th Anniversary and the opening of our new Lakefront Family Clubhouse.

Thank you for embracing the mission of Camp Sunshine and for providing us with the opportunity to serve our very courageous Camp families. We are extremely appreciative for all that our donors, partners, volunteers, Board Members and staff do in spreading the "Sunshine" and to strengthen our Camp Sunshine Community. With your help and continued support, we look forward to serving more families from across the nation and around the globe.

OUR MISSION

Founded in 1984, Camp Sunshine provides retreats combining respite, recreation and support, while enabling hope and promoting joy, for children with life-threatening illnesses and their families through the various stages of a child's illness.

Camp Sunshine is offered year-round with the distinction of having been designed to serve the entire family in a retreat model. The program is free of charge to families and includes on-site medical support.

PROGRAM HISTORY

35 YEARS OF MAGIC

Founded 35 years ago, Camp Sunshine is nestled in the tranquil natural beauty of Sebago Lake in Casco, Maine. For 17 years, Anna Gould and Dr. Larry Gould donated the facilities and personnel of Point Sebago Resort and hosted camp sessions for thousands of children with life-threatening illnesses and their families.

Being touched, after watching a television program about a summer camp for children with cancer, Anna and Larry decided to offer a family program at their resort. Discussions with the chief of pediatric oncology at the Dana-Farber Cancer Institute in Boston resulted in Anna and Larry offering a pilot family camp for 43 children with cancer and their families in June 1984.

At the end of the first session, when fathers thanked Anna and Larry for the week while crying and hugging them, they knew that this was a very special program. They continued to offer the program, at no charge to families, expanding to four weeks a year, two weeks in early June and two weeks in late September.

The true testament to the magic of Camp Sunshine continues under the guidance and commitment of Board Chair, Anna Gould and those who have helped build and shape the program through their volunteerism for the past three decades. Today, founding volunteers still can be found bustling around Camp. Dot Gonyea and her larger than life personality still helps operate the “Dot’s Camp Duds Store” she created. Joe Pappalardo’s legacy lives on through his wife Joan, their children, grandchildren and dear friend and board member Kevin Silverang. Al Ragucci continues the legacy of his wife Mary, founder of our arts & crafts program, while he still runs bass fishing trips and remains a board member. Also involved since the very first program, Nancy Hibbard still shines bright as she teaches parents how to create one-of-a-kind pieces of jewelry while here at Camp, and Gloria Hague continues to raise funds and awareness each and every summer.

Medical Director, Andrew Eichenfield, MD and

Psychosocial Director, Nancy Cincotta, MSW, MPhil have invested more than 30 years in our program bringing their professional support and expertise. Board members Ralph Heckert and Tim Porta have also provided guidance and sound advice since the 1980’s.

Through the years, the program became highly regarded, with increasing numbers of referrals from multiple medical centers. Demand for services far exceeded capacity, and it soon became apparent that Camp Sunshine had to have a permanent home where the program could expand to meet the growing need. In 2001, Camp Sunshine opened the doors of its own year-round facility on 24 acres donated by Anna and Larry.

Before 2001, Camp Sunshine was offering sessions during the spring and autumn months, serving roughly 180 families (720 family members) each year. With the opening of the new campus and the addition of winter, spring, and other year-round programming, and thanks to the support of many generous donors and volunteers, Camp Sunshine’s program has grown dramatically. More than 23 sessions are now offered annually, serving more than 700 families (2,800 family members) per year. Since Camp Sunshine’s inception in 1984, it has served more than 50,000 family members from 50 states and 27 different countries.

Throughout this period of growth, Camp Sunshine has made significant enhancements to its program and campus. Camp Sunshine now serves families of children diagnosed with cancer, hematologic conditions, including Fanconi Anemia, Dyskeratosis Congenita and Diamond-Blackfan Anemia, renal disease, systemic lupus erythematosus, and those who have undergone solid organ transplantation.

In addition to expanding its program over the past 35 years, Camp Sunshine has continued to enhance its campus in various ways. Most notably, in 2011 the Orokawa Foundation Family-Volunteer Center, and the addition of the Tropical Smoothie Cafe Sports Center, completed in 2018.

LEADING THE WAY...

Philanthropist, Leader, Mentor, Businesswoman, and Visionary, one woman made up of many attributes! Whether running a successful business, serving as a trustee of the Boca Raton Academy and the Pinecrest School in Florida, sharing her time on the Lahey Hospital Women's Leadership Counsel, taking on the responsibility of Board President for Mizner Tower or lending her guidance and expertise to others, Anna approaches each initiative with the same passion, energy and drive that has defined her success for more than three decades.

For those who have seen Anna in action, most notable is her steadfast commitment, leadership and generous contributions she has made to Camp Sunshine. A generosity of spirit, financial support and time. As Founder and Board Chair, Anna has eloquently left her imprint on all aspects of camp. An imprint that can be seen etched in the campus landscape, buildings and most importantly in the smiling faces of the children and in the relaxed and relieved demeanor of the parents and families we serve. Knowing they have found a safe haven and a respite from their daily challenges. It was her vision and concern for others that has propelled the mission of Camp Sunshine forward. Anna's dedication to creating an exemplary program is what inspires and

motivates the staff, board members and volunteers to want to do more.

Her example to pursue excellence, while striving to help others and make a difference has become a beacon for others to follow. Her shining light has not gone unnoticed. The community as a whole has embraced the amazing work Anna has been instrumental in creating. The recognition has come from a variety of sources, in various ways. Maine Magazine recognized Anna in 2016 as one of "50 Mainers Charting the State's Future". Other acknowledgements came in the form of ACA New England's "Camp Champion" Award, Yankee Magazine's Community Partners Barnraiser Award, given to individuals who are working hard to make a positive difference in the community and beyond, Toastmaster International Communication & Leadership Award, an Honorary degree of Doctor of Humane Letters from St. Joseph's College in Maine...to name but a few accolades. The awards go on and on; but one thing remains constant and that is Anna's commitment to the Camp Sunshine Community. Thank you Anna for having a vision, believing in your dream and for spreading the Sunshine for the past 35 years!

BUILDING THE PROGRAM

Anyone who has been to Camp Sunshine in the past 35 years would likely have had the opportunity to meet Camp Sunshine's Executive Director, Michael Katz. Whether you're a family, volunteer, staff member, board member, or supporter, Mike Katz exemplifies all that Camp Sunshine stands for – integrity, commitment, passion. Mike's commitment and standard of excellence extends far beyond the Camp Sunshine campus. His many accolades and accomplishments make us all proud, yet he is incredibly humble and never takes credit for a success. He's a team player through and through and would profess that everything Camp Sunshine has grown to be would not be possible without the help and dedication of many individuals.

Mike was here for the introduction of Camp Sunshine's first program three decades ago. He was also instrumental to many important facets of the program, including developing a thriving activities model, and designing much of the volunteer and family programming. As a result of Mike's continued involvement, he is able to help create a solid path for the future while maintaining the program's roots. Today, Mike remains an integral part of the daily activities, as well as planning for its future, resolute to the original vision and mission of Camp Sunshine.

There is never a task that is too small or an "ask" that is too outrageous or too time consuming for Mike. Whether it's

finishing up a Camp session and immediately heading to a special event to pitch in, agreeing to participate in ten polar dips in one winter, or any of the other crazy things Mike Katz has done over the years on behalf of Camp Sunshine, he is always happy to help and does so with a smile and enthusiasm that is not equaled.

Sitting on the Board of Directors for Maine Summer Camps and Maine Camp Experience, Mike is able to offer his many years of business and camp-related experience to other industry professionals. In addition to his board member duties, Mike is also responsible for making sure Camp Sunshine stays up-to-date with its various safety regulations while also maintaining other pertinent industry certifications. Under Mike's supervision, Camp Sunshine continues to receive the highest accreditation from the American Camp Association, Gold Ribbon status from Children's Oncology Camping Association International, a 4-star rating from Charity Navigator, and Top Rated status from GreatNonprofits.

With a steadfast commitment to the program, unparalleled work ethic, vision for the future and tremendous public speaking abilities, Mike leads by example and motivates his staff to strive for excellence in all that they do. Thank you for all that you have done and continue to do, Camp Sunshine is in the most capable hands with Mike at the helm to continue the success well into the future!

2019 35 YEARS of Camp Sunshine!

LETTER FROM A CAMP FAMILY

Dear Patriot Subaru Share the Love,

We are so grateful for your sponsorship of our family session at Camp Sunshine! At age 15, our youngest son, Sam, began his battle with Lupus Nephritis. This is an auto-immune disease that caused his immune system to attack his own kidneys. It is difficult to describe the feeling of watching your son's kidney function drop to life-threatening levels over the course of a week. By God's grace, talented doctors, strong medications and Sam's determined attitude to fight, he is regaining the upper hand!

At Camp Sunshine we are surrounded by other families that are fighting this serious, confounding, life threatening disease. We learn from those who are further along in their journey and we encourage those who are just starting. The discussion group times are powerfully emotional and help carry us through the year. The relationships that are forming mean the world to us. The staff, volunteers and facilities are top-shelf. This week in our summer is a time for us to connect with others in a meaningful way and to rejuvenate and reset.

Thanks again for your generosity!

Todd, Carinne, Abby & Sam

PROVIDING TREASURED LEARNING EXPERIENCES

Reflecting on my years of volunteering at Camp Sunshine, I am grateful for so many rewarding experiences. One of these experiences is the joy of witnessing a process whereby families gain comfort and strength through the sense of belonging and togetherness that Camp Sunshine is so well-known for. I will always cherish the moments where we've seen pain turn to hope.

But another valued camp experience that is uppermost in my thoughts is the privilege of seeing our high school's Key Club members grow in such a meaningful way through their volunteering as Camp Sunshine youth counselors. While Camp Sunshine's mission is first, and always, the support of the attending families, we have found that because the dozens of Kennett High School Key Club members we have chaperoned at camp take their counseling duties to heart, they have a tremendous experience that makes them better persons.

Perhaps this valuable experience can best be described by the students themselves. Here are some thoughts from just a few of the numerous Key Club members who have volunteered at Camp Sunshine:

"...I have never before seen such kindness, acceptance, and love. It was a safe haven and a little piece of heaven. It reaches your heart..."

"...Camp Sunshine was a time of understanding, connecting, and healing for the parents, the children, and even the volunteers. Camp Sunshine, in my mind, is life-changing..."

"...I connected with families as they told the stories of their children, and we developed a bond that can never be broken. The lessons I have learned at Camp Sunshine will be a part of me for the rest of my life..."

Each group of our Key Club members who have volunteered at Camp Sunshine return home with a new sense of appreciation for what many families are going through. I would like to thank Camp Sunshine for providing not only an environment in which families find respite and support, but for also providing an unforgettable learning and personal growth experience for our young people.

TREASURER'S REPORT

I am pleased to present the Camp Sunshine at Sebago Lake, Inc. audited financial report for the fiscal year starting November 1, 2017 and ending October 31, 2018. The report details Camp Sunshine's strong financial situation, reflecting another year of successful fund-raising, careful oversight of expenses, and growth in assets.

Camp Sunshine remains steadfast in our mission to offer excellent programs at no cost to families by striving to yearly raise all funds needed for operations and to provide financial security for the future. This year through the hard work of our staff, volunteers, corporate donors, community groups, and individuals over \$4,000,000 was raised to fully fund all programs. We appreciate each and every supporter for their time, effort, and generosity. Thank you for helping to create the magic. Camp Sunshine would not be here without you.

The future of Camp Sunshine also remains on secure footing with growth in assets and a solid return on endowment accounts. From the earliest years Camp Sunshine's endowment has been overseen by our very knowledgeable Finance Committee. They have given generously of their time and talents to prudently guide Camp Sunshine through the ups and downs of

investment markets. Camp's current financial health is a direct result of their focus and careful management. We remain grateful to each and every member who has served through the years.

This year as the endowment grew past twenty-one million the Finance Committee and Board of Directors determined that the time was right to include additional professional support to Camp Sunshine's financial team. To that end an exhaustive, yearlong search of premier financial firms throughout the country was undertaken by the Finance Committee. We are pleased to announce that Camp Sunshine selected HM Payson, an investment firm that has been located right here in Portland, Maine for over 160 years. Our relationship has already provided a myriad of benefits to Camp Sunshine and we look forward to a long and profitable collaboration.

As our 35th year of programs begins we are confident that our focus on fiscal responsibility and conservative management will provide a bright financial future for Camp Sunshine. So let the sun shine and the magic continue!

I present this financial report for your review.

PAT HORAN, TREASURER
