

# 2020 Impact Report

A RETREAT FOR CHILDREN WITH LIFE-THREATENING ILLNESSES AND THEIR FAMILIES

# Reflecting ON 2020

For 36 years, Camp Sunshine has continually weathered the storm. There was Hurricane Gloria in 1985, the destructive Ice Storm of 1998 and who could forget the H1N1 virus of 2009, which would only prove to be a prelude for what was to happen in 2020. Each time, Camp Sunshine faced the challenge and steadfastly moved forward knowing the importance of its mission, continually gaining momentum from the courage and spirit displayed by the families we serve.

It was a year of adaptability, flexibility and change. Who would have thought that we would need to develop a new strategy to reach families and a new vocabulary to go with it? Words like virtual, Zoom, social distancing, working remotely, and maybe the most applicable word... pivot. That's what we did, pivoted! Although we couldn't gather for in-person sessions it didn't mean we would halt our mission. Our staff, donors, volunteers and most importantly our families were able to come together, even though apart.

In what proved to be a very uncertain year, one thing we are certain of is the resiliency of the Camp Sunshine community. As noted during our SEALs for Sunshine event, we would be "in it together, more than ever". The success of this year and our ability to fulfill Camp's mission could not have happened

without the generosity and support of our partners, donors, participating foundations and volunteers who realized the importance of being there for our families and each other, whether in-person or virtually. Thank you to our Board of Directors for their guidance and to the staff for embracing the challenge and so adeptly pivoting.

As we face 2021 and what new challenges lie ahead, we forge forward grateful for your past generosity and hopeful for your continued support. Together we will weather this storm and come out the other side into the Sunshine.

*With gratitude,*

**OUR MISSION** Founded in 1984, Camp Sunshine provides retreats combining respite, recreation and support, while enabling hope and promoting joy, for children with life-threatening illnesses and their families through the various stages of a child's illness.

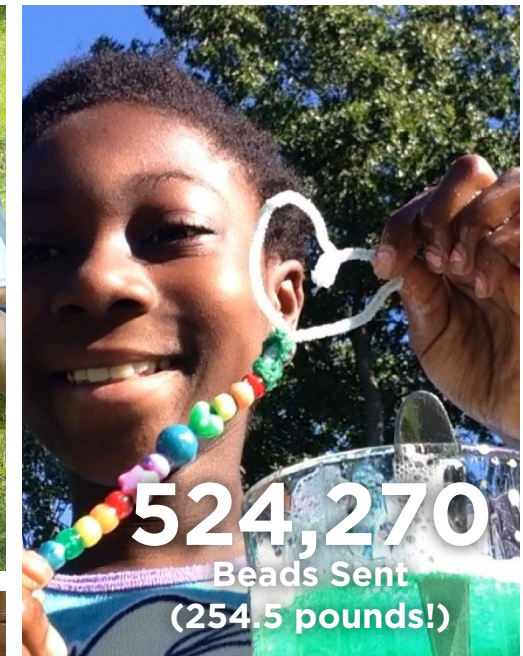

Camp Sunshine's program is offered year-round and has the distinction of having been designed to serve the entire family in a retreat model. The program is free of charge to families and includes on-site medical support. A bereavement session is also offered for families who have experienced the death of a child from a supported illness.

EVEN VIRTUALLY,  
HOPES & WISHES  
STILL SHINE  
THROUGH

Families shared feedback through anonymous surveys after participating in the program. The overall sentiment was one of gratitude that Camp Sunshine and its supporters found a way to bring the spirit of Camp Sunshine to their family. Many families mentioned how meaningful this was during a year that was otherwise full of isolation and disappointment.

# WHAT FAMILIES ARE SAYING

These quotes from families describe the program best:

“Participating in Camp Sunshine at Home truly brightened up our summer. The Box of Sunshine and Together at Home gave us a connection to fun, meaningful experiences.”

“It lifted our spirits to feel connected with you all when we aren’t able to see family and friends safely. Our youngest child told us his wish boat dream... that Camp Sunshine could be every day.”

“After being in quarantine, the program at home helped bring sunshine back to our household. We had a full week of activities to complete at our leisure. It was great to see the other families at the completion of each evening. Camp Sunshine always reminds us of smiles, friendship, fun, and sunshine!!! Giving us the opportunity to incorporate the week at home was a real blessing and we are truly grateful!”

## **Impact report dedicated in memory of Albert Ragucci.**

For more than 30 years Albert (Al) Ragucci selflessly volunteered his time and energy to Camp Sunshine along with his beloved wife Mary, helping Camp Sunshine grow and develop into what it is today. Al served as the President of the Camp Sunshine Board of Directors from 2012 until the time of his passing in December of 2020.

A proud Navy veteran with a hardworking and humble attitude, Al was always willing to do whatever was necessary to ensure each and every child and family member attending Camp Sunshine had the best experience possible. Among the many initiatives spearheaded by Al, he was best known for his years of work with local bass fishermen which provided tens of thousands of campers the opportunity to go fishing while at Camp. Standing ready, with clipboard in hand, Al organized and ran the day-of logistics each year, coordinating the schedule of campers, as well as the transitions from one group to the next. Al was always happy to hear reports from the excited campers exclaiming how many fish they had caught while readying the next group to head out. He always made sure boats departed as scheduled to maximize the time kids would have to fish on Sebago Lake.

Al was also responsible for organizing volunteers during the annual Monte Carlo Weekend fundraiser. With several nights of gaming and the signature auction, Al coordinated many volunteers over 28 summers, while helping to raise more than \$750,000 for Camp Sunshine. Al will be missed by all who knew him but I know that he and Mary are together again, watching over us all.

Respectfully,

Anna M Gould  
Founder, Board Chair
